Cupid's Advice:

PDA isn't for everybody, but every once in a while it's really romantic. Making your partner feel special is huge for the relationship to progress. It's the little things that change everything. Cupid is here to help:

1. Surprise visits: I'm not saying you have to hold a boombox outside their window or play guitar on their front lawn, but knock on the door and catch them off guard. Bring something or offer to take them out. They'll appreciate the effort you put in and you'll earn some points with the family.

2. Holding hands: Anywhere you go whether it's a restaurant, a walk in the park, or a movie make sure to hold your partner. Touching in public demonstrates to other people that you are a couple. It'll help secure the relationship with a simple act.

3. Big gestures: No one is asking for the Jumbotron, but a nice bottle of wine delivered to your table or ordering for them to prove how well you know them are good starts. As long as you're thinking of them, you'll figure it out. You might even consider a proposal further down the line.
