Cupid's Advice:

Starting a new relationship is always exciting. Cupid is here to help you announce your relationship to your family and friends:

1. Utilize social media: Celebrities today no longer need press releases or conferences to reveal their latest hookups, and neither do you! Following their lead, you can take control of your relationship announcement through popular social media sites. A cute photo and caption is a great way to announce your relationship to family and friends.

3. Face-to-face: If a more traditional method is preferred, talking about or introducing your new beau to your family and friends may be the best option. This is a sure way to make sure details of your relationship will make it to those you want to know, and away from those you'd rather keep out of your business.
