Enjoy a peaceful warm weather getaway with this weekend [date idea](#), which involves sneaking away from all the hustle and bustle of everyday demands. Not a problem – there are ways to get around having to sleep in a tent.

## Use Glamping as Your Next Date Idea

When the work day is over and the weekend begins, pack up

those necessities – tent, blankets, sleeping bags, snacks, and entertainment – and head out. Take a look online for any campgrounds in your area, and make sure to book a spot in advance if needed. Once there, set up your tent, build a fire, and let the romance begin! Spend your evening cooking over the flames and cuddling up next to each other for warmth. You and your sweetheart can end the night by laying under the stars and talking about your summer plans.

If pitching a tent and sleeping on the ground isn't your cup of tea, that's okay. Glamping is all the rage right now, and it's a great way to get the camping experience *without* having to sacrifice showers and electricity. There are companies dedicated to renting RVs and camping trailers.

Or if you'd prefer, check your local campgrounds for cabins available for rent. These houses are furnished and usually come equipped with most of the essentials. All you need to bring is toiletries, food, clothing, and bed sheets. And don't forget to pack that bug spray! You wouldn't want mosquitoes to get you itching and ruin the moment.

Whether you're camping or glamping, you and your sweetheart can slip into nature and away from crowded city streets. Staying outside of civilization for a few days will strengthen your relationship and provide you with much-needed, uninterrupted one-on-one time.
