Cupid's Advice:

Not every couple can get on stage together at a major awards show to display their love for each other to the world, but it is important to show your significant how much you love them in order to be happy together. Even if it's not televised, loving gestures are necessary for keeping romance alive:

1. Spice it up: Sharing new experiences is a great way to strengthen a relationship. Plan the trip you and your S.O. have been dreaming about, or even just try a new restaurant.

2. Throwback: If leaving your comfort zone isn't something that sounds appealing to you, revisit something you did together in the beginning of your relationship that you both loved. Maybe recreate your first date and flatter your partner with how much you remember.

3. Look ahead: Set a goal together—abstract or physical—and work together to reach it. Sharing a common goal and actively working towards it will show your S.O. how much you still care.
