Cupid's Advice:

Baby showers are a great way to jump start your baby needs. The nursery can be fully stocked after a shower and it takes the pressure off the parents to buy it all themselves. Cupid is here to help personalize yours:

1. Theme: Having a color palette or a specific theme (like flamingos) can really personalize your baby shower. Centerpieces and banners that match can really make your shower pop. Pinterest and other sites can inspire new moms to plan a fun and fancy party.
