Cupid's Advice:

Relationships come and go, but some former flames remain special in your heart. At times you may question whether it might be a good decision to give them another chance. Cupid is here to help you figure out whether you should get back with your ex:

- 1. Think it through:** Before you rush to contact your ex, you

should carefully consider the reasons why you want to see them again. Acknowledge if you're in a good place mentally and emotionally before pursuing things once more. And make sure you remind yourself why the prior attempt at a relationship failed.

2. Talk about it: After you figure out whether or not you should try again with your ex, you can make a move to start the conversation. It's important to get their input on the situation. 3. Move forward: Regardless of the outcome, you'll need to move forward with whatever decision has been made. If your ex agrees that you both should get back together, then do so and try not to repeat what broke you up in the first place. If your ex doesn't agree, then it's time to move on and put your best foot forward to find the person who is best for you.
