There’s a ‘DTWS’ celebrity baby in the works! What are some ways to share hobbies with your child?

Cupid’s Advice:

Having children is a rewarding experience, especially when your child picks up some of your favorite hobbies. Sharing the same passion furthers the bond between parent and child in an unbelievable way. Cupid is here to help you share your hobbies with your child:

1. Inclusion: The best way to get your child interested in the same hobby as you is to include them. Children naturally want to follow their parents lead, and if your child sees you enjoying what you do, they’ll definitely want to join in. If your child doesn’t ask to join, you can always leave an open invitation.

2. Instruction: Once your child has made it clear that they want to take up your hobby, become their instructor. Mistakes will be made along the way, but you can correct them in a constructive manner that will only further their skills. Your child will be motivated to continue the hobby when they see they can do things right.
