How can you overcome fears of infidelity despite having a strong relationship?

Cupid's Advice:

Partnerships are a mix of both good and bad twists and turns, which no one can truly prepare for. However, fear of betrayal can be prevented with some strategic planning and simple faith. See how Cupid breaks it down for you:

- 1. Love:** Just show it. Don't hide it, and don't smother the other person. This should come naturally, and should be enough to keep your mind from your worries.
- 2. Trust:** If you've chosen to marry someone, trust should already be ingrained into your relationship. It's natural to have doubts; take time to talk to your partner about them.
- 3. Live your life:** All the planning in the world can't promise faithfulness, but your best defense is to love your mate, and ensure they're a part of your life mentally, emotionally, and physically. If they are thinking of you, there won't be room for others.
