How do you have a date night with kids?

Cupid's Advice:

While many feel that romance becomes much harder to maintain

after children enter into the equation, many others have found this sentiment to be untrue. Here are a few ways to have a date night (even with kids):

1. Put your trust in technology: While video games, television and computers take away from study time, they can also keep your children occupied. Try renting a movie or a new video game for your children to play with while you and your partner enjoy some quality time together.

2. Take the kids with you: There are many restaurants that are family friendly. Experiment with a few, and you may find that both you and your children are happy with the experience.

3. Hire a babysitter: If you yearn for a date night without the kids, hire a babysitter. Trusted babysitters are lifesavers for couples in need of a night out, and most come at the reasonable price of about \$10 per hour.
