### **Cupid's Advice:**

Not all relationships work out, celebrity relationships and normal relationships alike. It is important to know when to call it quits, whether that means a break up or a divorce. Cupid has some tips:

**1. Try and try again:** If you both know that you've tried over and over to fix issues in your relationship, anything ranging from money to friends to communication, and nothing is getting better it may be time to consider a split. If a true effort was made and no positive changes came out of it, that is just foreshadowing for how the rest of the marriage will go.

**2. Trust issues:** If you have any reason to believe that your other half is cheating, that needs to be investigated. If your husband or wife cheats on you, that may be your cue to walk out the door. Such a severe break in trust may mean the end for your marriage.
