Cupid's Advice:

On-and-off relationships are sometimes unavoidable, but you never want to continue the back and forth for too long. Cupid has some ways to tell whether it's a good idea to get back together with your ex:

- 1. If it works for both of you:** Timing is everything when it comes to getting back together with an ex. If you are seeing him often and it's convenient, give it another go. Being

single at the same time might just be fate telling you to try again.

2. If it's a positive experience: As long as the two of you decide mutually that it's working and that it's doing more good than harm, absolutely get back together. But once it starts to go downhill, cut ties. Until then enjoy it while it lasts.

3. If it's changed: Don't keep going in the same circle when it comes to your ex. If he hasn't changed and the circumstances aren't any different, don't waste either of your time. When the two of you are willing to communicate and fix the relationship, that's when you know it's different.
