Going to the beach together will create great memories and leave the two of you happy. Swimming together, playing frisbee, and flying a kite on the beach can really get the sparks flying between the two of you!

**2. Get romantic:** If the beach isn't your ideal destination, there are plenty of other options. Go to the city for a romantic date, or fly away if you can afford it! Finding a romantic restaurant or place to go can be easy, but it does not just have to be the destination that is romantic. Buy sparklers and firewood and make a mini-4th of July in your backyard! The two of you can get creative and that will always make things fun.

An important piece of relationship advice is to keep things fresh, new, and exciting, and any holiday is a perfect time to really take advantage of this. Keeping things new and shaking them up will keep the relationship full of sparks, and the two of you will be happier for it!

**4. Don't be afraid of PDA:** Whether you are at the beach, a fireworks show, or maybe a concert, don't be afraid to show a

little affection in public! Show your love for your partner, and make everyone around you jealous! You should be proud to be in a happy relationship, and there is nothing wrong with a little kiss, holding hands, or more. Wrapping yourself around each other in the water or cuddling on a blanket at fireworks or the shore won't hurt anyone, and will only help to expand your love for each other.
