How do you handle pressure to have kids?

Cupid's Advice:

Many couples have faced the pressure to start a family when

they aren't ready. The best course of action is to ignore the critics and do what is right for you:

1. Ignore it: People will say what they want and you can do what you want. Nod, smile ... and tune out.

2. Put the ball back in their court: Sometimes it's best to ask the people pressuring you when they are going to change something in their lives that is equally dramatic. See how they like it!

3. Put your foot down: Tell people that it's none of their business to decide when you make changes to your life, especially one as big as starting a family.
