How do you handle pressure to have kids?

Cupid's Advice:

Many couples have faced the pressure to start a family when they aren't ready. The best course of action is to ignore the critics and do what is right for you:

- 1. Ignore it:** People will say what they want and you can do what you want. Nod, smile ... and tune out.
- 2. Put the ball back in their court:** Sometimes it's best to ask the people pressuring you when they are going to change something in their lives that is equally dramatic. See how they like it!
- 3. Put your foot down:** Tell people that it's none of their business to decide when you make changes to your life, especially one as big as starting a family.
