"At first there were ups and downs, but I think we're doing really good now," Messer said. "The thing is with me and Corey, we do things very fast. From the very beginning, we got pregnant. But with [him], I feel like I'm happier than I've ever been in my entire life." She added that if he were to propose she would say "yes – hell yeah!"

The relationship between these two has been no walk in the park, including a six month break following Messer's affair

with an ex-boyfriend.

Can you regain trust after your partner cheats?

Cupid's Advice:

Probably one of the most difficult things to do is trust once it's been broken. It involves more than just your partner's desire to make things right. Cupid has a few suggestions:

1. Honesty is the best policy: They broke the trust, so now they have to work twice as hard to regain it. The only to do that is to simply be honest ... all the time. Set up a policy of total disclosure between you and your partner.

2. Forgive, but don't forget: If you're serious about making your relationship work again, then you'll have to forgive your partner. Remember that just because they came back, it doesn't mean they won't leave again. So be cautious, especially at first.

3. Find out why: This is something you may not want to hear, but there may be some opportunities for your relationship to grow if you know what drove them away from you in the first place.
