These celebrity exes are making celebrity news again! What are some ways to move on after a fresh break-up?

Cupid's Advice:

Contrary to popular belief, not every break-up deserves a grieving period. Just because a relationship ends, doesn't mean your happiness has to. Cupid is here to help you move on from your most recent break-up:

1. Date again: Take a page out of Taylor's book and start dating again. Sometimes the best way to get over a relationship is by getting into a new one. You won't find your special someone by staying home and fixating on an ex. Put yourself out there!

2. Go party: This is a great time to go out and have fun! Make time to see your friends and spend a night out on the town. Act like it's your birthday and let loose on a dance floor or bar. Remind yourself that you can have a good even while you're single.

them into a reality. Having goals gives you something to look forward to post break-up.
