Cupid's Advice:

Engagements are exciting for the couples who are getting engaged. Instead of receiving a customary congrats through a status update, more people are trying to make their engagement announcements stand out. Cupid is here to help you make your engagement exciting for your family and friends:

1. Surprise party: A great way to announce your engagement to your family and friends is to have them all in one place. Throw a party and invite your loved ones, and when the time is right and announce your engagement. Your guests will definitely be surprised!
