Is the timing of your wedding important?

Cupid's Advice:

When it comes to wedding planning, sometimes timing is everything. Cupid has some advice on factors to consider:

1. Cost and convenience: It costs less to host a wedding on a Friday than on a Saturday or Sunday. Depending on what day you set the date will reflect on how many RSVP's

you'll receive.

2. It's your day: It may be nearly impossible to avoid setting the date on someone else's birthday or anniversary, but as long as you don't mind sharing your big day with your Aunt Gertrude's 67th birthday, you should be in the clear.

3. Avoid holidays: These days come with higher booking fees. It may sound like a cute idea in theory, but nobody really wants to give up their New Year or Valentine's Day for a wedding.
