According to celebrity news, this star is definitely not expecting! What are some ways to keep the pressure to have kids at bay?

Cupid's Advice:

People seem to think having kids is on everybody's mind, but

it's not. Not everybody wants to have kids or is thinking about having kids any time soon. Cupid is here to help:

1. Communicate with your partner: The only person that needs to know where your head is at when it comes to kids is your partner. As long as you two are on the same page, it doesn't matter what other people think you should be doing. Don't put on any additional pressure on your partner.
