Cupid's Advice:

Baby fever is a real thing. Having multiple babies is popular in this day and age, but that requires a lot of tender love and care. Cupid is here to help:

1. Hand-me-downs: Hold onto everything that you used and needed for your first baby. It'll be easier if you have a head start on supplies. You'll find that it's one less thing to worry about as your oldest kids grow out of their belongings.

2. Recruit help: Don't try to go through it alone. You and your partner, your parents, your in-laws, friends, etc. are all willing to help. Don't try to juggle all the babies in your arms by yourself.

3. Spread them out: You don't have to have six babies all at once. Wait a few years in between so you aren't surrounded by newborns. Once enough time has passed, see about having more kids, but only when you're ready.
