

# Jessica Alba is Expecting

Jessica Alba and husband Cash Warren are adding one more to their brood, according to [UsMagazine.com](http://UsMagazine.com), and Alba took to Facebook to let her fans in on the good news. "Honor is going to be a Big Sister!" the actress wrote. "Cash and I are thrilled and wanted to share the news directly with you so you didn't hear about it somewhere else." Alba, 29, and Warren, 32, already have a two year-old daughter, Honor. The soon-to-be mother of two added, "I appreciated all of the love and support you all gave me during my first pregnancy and will definitely appreciate it again this time around."

## **Cupid's Advice:**

When you find out you're expecting, telling people can sometimes be the most exciting (and difficult) part. Cupid has some tips on how to break the news:

**1. Be creative:** If you're looking for ways to tell your partner, try something different. Put a baby rattle or little socks in his pocket to find later and sit back and wait for him to figure it out!

**2. Go public:** If you're really excited about the pregnancy, why not shout it from the rooftops? Use social media like Jessica Alba did, or make a huge sign saying "I'm pregnant!" for your friends or relatives to see when you invite them over.

**3. Tell your folks:** If your parents live far away, try sending them a blank card and in child's script write, "To my future Grandma and Grandpa. I can't wait to meet you in 9 months! Love, Baby."
