There may be a new celebrity couple in the works! What are some ways a one night fling can turn into a long-term relationship?

Cupid's Advice:

The number of people you know who ended up engaged because of a one night stand might be a very low number, but that doesn't mean a hook-up can't turn into a relationship! Here are some ways to turn your one night fling into an every night fling:

1. All about the follow up: Make sure you've got a name and a phone number, and once you, do don't be afraid to use it. Wait a day or two, then text or call your one-night-boo. Let her or he know you had a good time, and make plans to meet up again. If you don't contact your hook-up, there is no way a relationship will form between the two of you.

2. Make your intentions clear: Ideally this would have been done before the one-night festivities began, but it's never too late to define the hook-up. Let the person know that you may be looking for something long-term. Who knows? Maybe they are, too.

3. Play it cool: If you put yourself out there and the person you hooked up with isn't responding at all, drop it. Coming on too strong after a one night fling could freak the other person out. Give them some time before you get angry.
