Where should you go public as a couple?

Cupid’s Advice:

Now that you’re an official couple, you shouldn’t worry about where you can be seen together. There are endless options, and you should embrace them. Cupid has a few suggestions:

1. Wedding: Is one of your relatives on the way to getting married? Take your significant other to the wedding as your

date. This is one of the best way for your partner to get acquainted with the relatives she or he hasn't met yet.

2. Private parties: If you're part of an exclusive organization that will hold a private event soon, invite your partner to attend the party with you.

3. Events: Wait for a special occasion, whether that ends up being your friend's birthday, a holiday, a festival or a concert. You'll remember the day you announced your relationship even more if it's in a special location.
