Does your parents' approval of your partner matter? Cupid's Advice:

As much as we sometimes can't stand the nagging voices and opinions of our parents, deep down most of us care about what they have to say about our significant others. Cupid has some theories on why that is:

- 1. Honesty:** As open and honest as you feel your friends are, nobody in this world will break the truth down for you like the people that have known you the longest – your parents.
- 2. They know everything about you:** Your parents have seen you through the good, the bad and the ugly. Who better to know who is perfect for you than the people that know the most about you?
- 3. They truly want the best for you:** Although it may be hard to see sometimes, your parents sincerely want what's best for you. They want you to be happy. So, don't forget that when they're giving their opinions, it's always with the best

intentions.
