What are some ways to decide what gift to give your partner?

Cupid's Advice:

It takes real talent, time and thought to pick out the perfect present for the one you love. Cupid has some tips:

1. Stop, look and listen: Slow down and make a mental note when your partner makes a passing comment about something that catches his or her interest. If it's something your mate keeps mentioning, but won't go out of his or her way to buy, consider it gift appropriate.

2. Make a connection: If you and your significant other are just starting out and you're having a hard time with gift ideas, try to find something that unites you as a couple. Is there an inside joke you both share or an uncommon interest that bonds you? The thoughtful trinket will show you care.

3. Make him or her feel young again: To ease the harshness of aging, turn back the clock with a toy from his childhood. Is it a summer birthday? A pair of water guns should bring a smile to his face.
