Yours may not be a celebrity wedding, but not sweating the small things is good advice for all. What are some ways to keep from getting obsessive about wedding details?

Cupid's Advice:

You don't need to be in [celebrity news](#) to have your wedding talked about, but you don't want to overdo it. Weddings can bring out the worst in people so keep yourself in check. Cupid is here to help:

1. Don't be a bridezilla: It's absolutely okay to want perfection at your wedding, but don't treat people badly

because they aren't exactly what you want them to be. Make the decisions but be kind towards your team. No shouting or throwing fits because your flower arrangements aren't precise.

2. Be patient: Take your time with the planning and make sure to give yourself enough to plan your perfect wedding. Be patient with your wedding planner, your family, your wedding party, and most importantly your fiancée. They're all on your side so don't take them for granted.
