to Schwartz in an interview with EOnline.com. “My dress, when I put it on, I got goose bumps and I knew that was the dress I was going to marry him in and it had all the elements that I really, really wanted,” said Maloney in regards to her unique celebrity wedding dress and venue. Here’s to hoping that this newly married couple also enjoys their honeymoon!

The theme of this celebrity wedding was woodsey-elegance. What are three unique themes to have for your nuptials?

Cupid’s Advice:

Weddings are glorious occasions that bring all sorts of people together. Most couples go the traditionally romantic route when planning their nuptials, however if you find yourself wanting to try something more unique then allow Cupid to show you some awesome theme options for your wedding day:

1. Get geeky: Are you and your future spouse into sci-fi or fantasy genres? If you both find yourself fans of “nerdy” pop culture, maybe you can implement this on your special day. Your theme can vary from Harry Potter, to Stars Wars or video games. This is an option that will ensure you both have fun on your wedding day!

2. Be history: If you find yourself gravitating towards certain periods in history, then maybe you can try a historical wedding. Your theme selection can be endless with this option. Whether you’re a fan of medieval times, the revolutionary era, the 1950s or another period in time; you’ll surely make your own mark in history with this unique theme.

3. Go venue: A unique venue will definitely set your wedding apart, especially if it holds meaning for you and your partner. Your non-traditional wedding venue can be at a zoo, aquarium, camping ground, bar or any other place you can think of. This option is a great way to make sure your wedding will be remembered long after it's over.
