This celebrity wedding finally happened, but not on the first try. What are some important things to consider about the location of your nuptials?

Cupid's Advice:

Location is a huge decision when it comes to a wedding. There are a lot of factors to discuss and many venues to check out. Cupid is here to help:

1. Other people: Destination weddings are a hike so if you're planning one, maybe make it a small wedding. Not everybody is going to be able to or want to attend a wedding somewhere far away. Think about your guests when you decide on a location.

2. Money: You might find your dream venue, but that doesn't mean it will be the dream price. Be conscious of your budget and weigh your options. If you spend a little more on the location, spend a little less somewhere else.

3. Space: Big wedding parties need enough space to fit everybody. Make sure the location is big enough. If you decide on a beach wedding, you can maximize your guest list where as if you have a small church wedding, it might be a bit smaller.

The party afterwards needs to provide room for a dance floor and tables so plan wisely.
