How do you know if someone is serious about a relationship?

Cupid’s Advice:

Seacrest is one of many stars that are notoriously mum on their private lives, but it appears as if he’s stepping out of his boundaries with Hough. Here are signs that may reveal a partner’s desire to become serious:

1. Public outings: If someone’s dating you on the down low,

they'll most likely only reserve time for you late at night, behind closed doors. Being seen in public shows that he or she wants to show you off, and alert potential daters you're taken.

2. Attentiveness: If a new fling brings up minute details about something you mentioned that one time in the car two weeks ago, it shows he or she is really paying attention. Taking the time to notice the little things displays that you are a constant on their mind.

3. The friend test: Want to know for sure if someone is thinking seriously about you? They'll bring you to their closest friend for inspection. Don't be nervous; by introducing you to the core of the inner circle means he or she wants approval – and may be ready to become exclusive.
