Cupid's Advice:

Exes can cause great pain that takes time to move on from. Hurting is common when dealing with a break-up and coping isn't always easy. Cupid is here to help:

1. A new relationship: The best way to get over somebody, is to get under somebody else. While this isn't always the case, sometimes it takes another person to distract you from your ex. Once you can accept the break-up and feel for somebody else, you'll be able to move on.

2. A new hobby: Distractions come in all forms and focusing on something new can keep you from dwelling on the past. Pick something you've always wanted to do or something you've never done before and put all your energy into that. Channeling your emotions into a painting or creating something can give you a sense of contentment.

3. A new look: Don't ever change for somebody, especially a guy, but doing your hair the way you like or wearing your favorite clothes can make you feel better. A new look can create a new attitude where you are 100% you. Holding back for a guy can cause resentment and being you is the most important

thing.
