Attraction can come from lots of things, but smell is certainly one of the most enticing beauty tips. Stop your next date in their tracks by spicing up your perfume, and start smelling as great as you look!

Check out My Burberry Black, a new and sultry fragrance on the market.

There are hundreds of fragrances released every year, but one brand seems to always stand out. The Burberry brand never fails to deliver, and their recent launch of My Burberry Black is no different.

This new perfume for women is inspired by the black heritage trench coat and features British actress Lily James. The fragrance fuses the scent of sun-drenched jasmine flower and peach nectar, with a touch of rose.

Customers are able to physically personalize their My Burberry Black bottle with up to three initials through a monogramming service available on [burberry.com](https://www.burberry.com) and selected Burberry and wholesale stores.

If you always feel like there is a missing element when it comes to your overall look on [date nights](#) in your relationship, use this product as an opportunity for change! Be prepared for your date to fawn all over you and ask about your new scent!
