Cupid's Advice:

Love can be tricky, which means getting back together with an ex can be a option when thinking about your future with someone. Cupid is here to help you figure out if you should give your ex another chance:

1. The feelings are there: Sometimes, people get back together just for the convenience of having someone. That being said, it's important to never settle! Only date your ex again if there are truly feelings there and there's long-term potential for your relationship.
