Kargman revealed that her daughter Ivy was actually the brain behind her book title after the passing of her aunt. In her daughter’s opinion, flowers didn’t do her memory justice. In a surprising twist, Ivy proceeded to tell Kargman, that if she passes away, she is going to sprinkle glitter on her grave because that’s just how fabulous she is! Not to mention how difficult it is to clean up, so it’s remnants would definitely last longer than flowers. Kargman also shared with her New York guests, that although she is not a fan of Los Angeles, she is excited to go there to attend the Emmy’s.
