How can you ensure your wedding is memorable while on a budget?

Cupid's Advice:

Not everyone has the money and resources to plan a small and private wedding. In this economy, however, it's not unusual to choose low-key options. Here are some of Cupid's ways to scale down the reception while leaving a lasting impression:

1. Have a house reception: Ask friends and family that own large property if they could lend you their space as a wedding gift. If they've been hit by the economy, this will be a gift that gives back!

2. Keep it simple: Not everyone needs a towering floral display on every table. Small touches, like votive candles and rose petals, can go a long way. If you're fortunate enough to use a private house, bring decor from the ceremony to serve a double-duty shift.

3. Just hit play: Create a wedding play list on your iPod and ask a friend or family member who loves to ham it up if they'd

like to MC your big night. This makes your event even more personal than it already is!
