### **Cupid’s Advice:**

Gossip happens everywhere; with your gal pals, your significant other, or from anyone who loves to hear the “latest news.” However, it’s not fun for your private life. No worries, Cupid is here with some [relationship advice](#):

**1. Don’t listen to it:** Everyone likes gossip. There’s something about it that can’t keep our ears away. But when it’s your personal life, you should stay away from it. Only hearing gossip about you may affect your emotions, and hurt your relationship. Turn your head the other way; you don’t need gossip to influence you and your partner.

**2. Shut it down:** Gossiping can mean rumors, too. You don’t like what they’re saying about you and your partner? Tell them. You don’t need to prove yourself to anyone, but if you really want to show them that the gossip is wrong, let them know. They have to believe what you prove to them.
