Cupid's Advice:

Sometimes you may not know when the person you're dating is a friend or more than a friend. Your feelings may seem a little confused. Cupid is here to help:

1. Do you see a romantic future?: Close your eyes and look at yourself 20 years from now. Do you see the person you're dating? If so, do you see them holding your hand and cuddling? Or do you see them just hanging out with you and a bunch of friends? Think about that, because if you don't see yourself romantically involved for the long-run, then is it worth pursuing?

2. Sparks fly: When you kiss your partner, how does it feel? Does the touch of their hand give you butterflies and make you feel all nervous? If the answer is yes, then that's a good sign you can be more than friends. Sparks indicate that there's some romance in the air.

3. You're flirty: It's natural to have a little "flirt" in you. But you may be flirting with that one person a little bit more than average. Your group of friends may even notice, too. If they're flirting back just as much, you may be a little more than just friends.
