Should you continue to resolve things after a breakup?

Cupid's Advice:

Each relationship and breakup should be handled on a case-by-case basis. Cupid has some situations where you should

attempt to resolve your major issues:

1. Coworkers: Nobody likes drama in the workplace. Do your best to keep things in perspective and work out your issues off the clock.

2. Lots of mutual friends: If you have a good amount of shared friends, then chances are you'll run into each other a lot. You'll need to at least be able to stand seeing each other in public.

3. A close relationship: Chances are that if you've been in a long-term relationship and things ended mutually, then you two were best friends and it's difficult to just cut that person out of your life.
