**What are some ways to have fun with your mate at a party?**

**Cupid's Advice:**

It's not hard to have fun at a party, but sometimes it's

difficult to have fun with another person in tow. Here are some ways to enjoy a party with your partner:

**1. Hit the dance floor:** For some instant fun, hit the dance floor. Crazy dance moves and a few song requests will ensure a good time, even if neither one of you are good dancers.

**2. Meet up with friends:** Parties are meant for socialization, so try meeting some new people or catching up with friends. A few minutes talking and laughing will put you and your partner in a good mood.

**3. Find some privacy:** When you and your mate are too tired to dance and want to spend some time alone together, try finding a table and chatting. A moment of down time at a party is the perfect remedy for sore feet.
