Cupid's Advice:

Going through a divorce can be tough, both for you and your ex. There's a lot of back-and-forth argument that stresses both of you out. Cupid is here with some ways to make your divorce a little easier:

1. Be honest: You don't like how something is being handled? Tell them. You shouldn't lie to make a settlement easier, and you shouldn't lie to get what you want in the divorce. Honesty is always the best plan, and it will make for a more open agreement and compromise when going through the divorce process.

2. Understand each other: Keep an open mind when figuring out compromises. Know your ex partner's wants and needs, and also know your own. Knowing what your ex wants is just as important as knowing what you want. Communicate with each other, because if you don't, then nothing will get resolved.
