Dating Advice That Will Help

You Approach Eligible Men

1. Create opportunity. If it's important for you to be in a relationship, then come up with a plan to meet men. You need to strategize your time instead of falling victim to your usual routine. Don't worry about looking desperate, you're being intentional with your love life- not desperate.

2. Notice people. Take time to look at the men in your life and around you. Love can strike when you least expect it. Stay alert and attentive, put down your phone if you have to. Men like a woman who can take notice of them.
