Dating Advice That Will Help You Attract Men

1. **Emotional intelligence.** You need to be emotionally mature to

attract a man. You need to know how to respond to a man, not react to them. Going deep within yourself and knowing who you are will help you better connect with a man. Just remember, nobody likes an insecure drama queen.

2. Be authentic. Someone that is authentic in who they are is automatically viewed as attractive or sexy. Don't try to be someone else, it never works out in the end. Just accept who you are and celebrate it. One day a man will show up in your life who appreciates all the qualities you have to offer.

3. Have a sense of humor. Don't be serious all the time, it takes all the fun out of a relationship. You shouldn't treat every date like a job interview. Men want to be with women who make them feel comfortable and happy. Knowing how to be light hearted can make a relationship last.
