In recent [celebrity news](#), [Jennifer Lawrence](#) says that her boyfriend, Darren Aronofsky, is a “visionary.” Lawrence is acting in his upcoming movie *Mother*, and [UsMagazine.com](#) reported that she accepted the role before even reading the script. Lawrence also talked about her process of accepting or turning down roles, saying, “I don’t like waking up with nothing to do or going to sleep without accomplishing anything. That really depresses me.” This [celebrity couple](#) has been hanging out and seeing each other since October and things continue to heat up. Before she even

met Aronofsky, she knew she wanted to work with him after his movie *Black Swan*. Now, she not only gets to work with him, but is happy in a relationship with him, too!

This celebrity news shows the pride between two partners. What are some ways to show your appreciation for your partner's achievements?

Cupid's Advice:

Being proud and supportive of your partner during success is a great quality to bring to your relationship. Here are some ways to really make your significant other feel special:

1. A night out on the town: A fun way to celebrate your partner's achievements is to take the night off and go to your favorite restaurant and enjoy celebrating the success together.
