What are some ways to make the most of a short romantic getaway?

Cupid's Advice:

A nice romantic getaway can always seem too short. Here are some ways to live it up while you can:

1. Share a long kiss: The getaway may be short, but the kisses can still be long.

2. Enjoy a romantic dinner: A romantic candlelit meal over is always a nice touch. Share conversation and just enjoy each other's company.

3. Be thankful for the moment: It's not about how much time you spend together, but about the quality of that time. Live in the present!
