It is that time of the year again when deciding what to get your friends and family becomes a challenge. This year, you don't have to feel that pressure! [Beauty](#) products are a great gift for friends and family, especially because finding the right beauty product is just as challenging as finding the perfect gift. During the holiday season, there are lots of events and parties that we all want to look our best for! This

can sometimes become difficult with the harsh weather conditions, and we try to keep ourselves feeling great, but sometimes fall short. Not only do we have the perfect products for you to gift to your friends and family, but you may just want to keep them for yourself!

GLOW for a cause, Jewel Tone Nail, BioClarity, Born Skincare & FACE atelier have the perfect holiday beauty products to get you ready for the season!

GLOW for a cause

GLOW for a cause is an amazing company that not only has some of the best perfumes and skincare products available, but they also donate 5% of all proceeds to six fantastic charities! With natural ingredients like coconut oil, jojoba oil and Vitamin E, your skin will radiate a healthy glow while providing the nourishment it needs to stay vibrant. Each GLOW for a cause product is made with care because they know the importance of high-quality ingredients. Their products are clean, natural, cruelty-free, made in the USA, and some are even vegan! For \$24, you can get all of their products with their TRY IT ALL in a bag set which includes body butter, facial moisturizing cream, facial nourishing cream, facial clay scrub & facial clay mask.

Jewel Tone Nail

Having the time during the holidays to go sit and get a manicure is not always realistic. Instead, you can gift your friends and family with a manicure right at home. Jewel Tone Nail is also the perfect stocking stuffer! Like gel polish, but better, [Glossique](#) offers a safe and creative way for women to express themselves through nail art and achieve a picture perfect manicure in under five minutes! Unlike other nail polish and nail wrap brands, Glossique is non-toxic & chemical free, made in America and requires no heat to apply. Safe for children and adults, they are chemical-free and each Glossique set is offered in standard and petite sizing and has a total of 19 wraps in various sizes. Glossique retails for \$15, and each set is enough to achieve three uses!

BioClarity

As temperatures begin to drop, sweater weather sets in, and pumpkin spice flavored everything hits stores, another autumn and winter tradition also takes residence: dry, itchy, and irritated skin. This holiday season, count on BioClarity to restore, soothe, and heal your skin during the chilly season. BioClarity is a unique twice daily, 3-step skin treatment system that's putting chlorophyll (the green stuff in plants) to work in the fight against acne.

The BioClarity formula is non-greasy, paraben free, oil free, and cruelty-free, and suitable for all skin types- including oily, dry, combination, normal, and sensitive. BioClarity is available online without a prescription and shipping is always free with the monthly subscription fee of \$29.95.

Born Skincare

Born Skincare products utilize one of the richest known sources of antioxidants to provide you with an organic and natural beauty product you need. If you found yourself outdoors during the summer sunshine, your skin could have been exposed to toxins and chemicals. Now with the colder weather, you want to make sure to revitalize your skin before the cold weather sets in. For your friends and family that have sensitive skin, gift them with the Pure Foaming Cleanser to remove makeup and gently clean out their pores. Our organic cleanser is made for both men and women. Your friends and family will love you for gifting them with a beauty product that will make their skin feel refreshed and hydrated upon use. You can feel great about this gift that won't break your bank because it is only \$28.
