

# 5 Fashion Trends to Make Winter More Bearable

By [Cortney Moore](#)

Everybody wants to look their best, but being fashionable during the winter can be difficult. Some may find themselves sacrificing style for warmth. However, this doesn't have to be the case! Fashion has evolved to the point where you can be cute and toasty. If you're in disbelief that both can be achieved at the same time, then take a look at recent [celebrity fashion trends](#). Take a note from celebrity style with the following winter [fashion trends](#).

# Check out these fashion trends that will help keep you warm this winter!

1. **Statement coats**: A stylish coat is a must for your winter wardrobe. Express yourself by choosing a coat that suits your personality and looks great on you! Don't be afraid of bright colors or dramatic patterns, your statement coat is meant to "wow" onlookers.

2. **Leather jackets**: Another classic piece of outerwear is the leather jacket. Some say leather jackets should be reserved for warmer months, but that's not the case this winter! Many fashionistas have been beating the cold in these edgy and chic ensembles.

**3. Over-the-knee boots & socks:** There's just something feminine and sexy about over-the-knee boots. Couple that with equally long socks, and you'll double your warmth. Not to mention how versatile this look can be. You can pair these with dresses, jeans, rompers and more. The possibilities are endless!

4. **Knit ponchos**: Add some sophistication to your winter outings with a knit poncho. It's the perfect way to layer items without looking frumpy. A poncho's design is made to protect its wearer from the elements, which makes it a great option for winter time.

5. **Fleece-lined leggings**: Move over jeans! Fleece-lined leggings are where it's at. With all the flexible stretch of leggings and the warmth of a fleece blanket, there's no reason to have cold legs this winter. This item can be dressed down for a workout or dressed up for a date night– but most importantly you'll be cozy regardless of what you do.
