How can you support your partner's career?

Cupid's Advice:

Most of the average person's day is spent at work, so it's very important to be supportive of one another's careers.

Cupid has some tips on how you can back up your partner's

occupation:

1. Always be there to listen: Whether he just landed that promotion or he's whining about the most recent boss drama at the office, try to always be there to listen to the good and the bad.

2. Be happy for each other: There's no room for jealousy in a relationship. If your significant other has a major breakthrough in his or her career, you should be the first person there cheering them on.

3. Do a little research: If you and your partner have totally different career paths, you might consider doing a little homework. It's always nice to feel as though you have some idea of what each other is talking about.
