Cupid's Advice:

Some couples are really big on public displays of affection, others not so much. It might sound strange to keep your relationship under wraps, but there are some benefits to doing so. Let Cupid help you decide whether you should keep your relationship hush-hush:

1. Avoid drama: Let's be honest for a moment, some people just like getting in the middle of couples. If you know someone that's meddlesome and likes to cause drama, then it might be a good idea to keep your relationship a secret from them. You don't need unnecessary stress in your life.

2. If it's casual: Not every romantic partner is relationship worthy. There's no need introducing someone to your friends and family if you have no intention of keeping them in your life. There's nothing wrong with a casual relationship, but that doesn't mean you have to let the world to know your business.
