Cupid’s Advice:

Who needs to spend all that money when “stay-cations” are a thing! You don’t need to go abroad to have a good time, everything you need for a good vacation is right at home. If a stay-at-home vacation is something you’re interested in, then try one of these great ideas Cupid has lined up for you:

1. Disconnect: The first thing you should do is turn off the wifi. When you’re on vacation, you’re outside doing things instead of staring at a computer screen all day. Take this time to kick your technology addictions. Experience the world again without cell phones, tablets and laptops. You’ll be surprised how refreshed you’ll feel without these items.

2. Go camping: This can be done whether you have a backyard or not. Just get your hands on a tent and set it up outside or in your living room. Grill up the food of your choice and roast marshmallows while you engage in camp-like activities. It will feel like you’ve escaped to the great outdoors without all the traveling.

3. Pamper yourself: The best part of a vacation is the relaxation. Take a nap, make some cucumber water and sip it throughout the day like you're at the spa. You'll feel even better if you give yourself a makeover, because when you look your best, you'll feel your best. Top the night off with a dinner date, and it'll almost be like you've gone on a real vacation.
