On this week's episode of Single in Stilettos, founder and matchmaker Suzanne Oshima talks to relationship expert Jaki Sabourin to offer their best [dating advice](#) for those trying to find love. Learn how you can improve your relationships by "manifesting a man" with the following dating tips!

Dating Advice That Will Help You Find A Man!

1. Find clarity. You need to address what you want and why. By

evaluating your needs and wants, you'll be able to narrow down your list of potential partners. You don't want to waste time or send mixed messages while you're dating. A great way to clarify your desires is by cultivating those traits in yourself, which will in turn attract and manifest in a man.

2. Thoughts, words and deeds (a creation trilogy). The best way to find a quality man is by having a positive attitude. You need to be consistent in your thinking, wording and actions. If you have doubt or tell your friends that there's "no good men out there" while you're dating, that is just setting yourself up for disaster. By making sure everything you do is in alignment, you'll attract a great man.

3. Commit. Don't give up if things aren't going according to plan. Love doesn't happen overnight. You need to put in the time and effort to find someone, especially if you're trying your hand at online dating. Checking out of the process simply because you're upset is a terrible thing to do. Give yourself a year at least to improve your dating skills. You need to evolve in order to find a man worthy of manifesting.
