- 1. Be happy.** Learn how to smile! Nobody wants to be around a "Debbie Downer." Don't let sadness get in the way of your dating life. Men like happy women, they want to be a part of

2. Be confident. Men love seeing an independent and confident woman. You don't need to be a damsel in distress all the time, it's not really sexy and can actually be scary- which will ultimately repel a man. The women that have a good head on their shoulders are the ones who attract quality men.

3. Be present. Stay "in the moment" when you're on a date. Don't daydream about a future that doesn't exist. Be attentive and engaging. Also try to avoid thinking of the past, it's a sure way to sabotage a good moment. It's also a good idea to put your cell phone away. Being present automatically makes you irresistible to a man.
